

## Canadian Club to Hear Authority on Community Theatre

---

Chilliwack has for a number of years been theatre conscious to a degree which has brought to light a number of amateur productions from various groups, the most important of which perhaps being the Little Theatre group.

On Saturday of this week, April 25, under the auspices of the Chilliwack Women's Canadian Club, Mrs. Elizabeth Haynes, head of the School of Dramatic Art in the University of Alberta, will speak in the Empress Hotel at 3 o'clock on the subject of "The Community Theatre in Modern Life." At this gathering, by invitation, executive and members of the Little Theatre Association will be special guests. Mrs. Haynes comes highly spoken of both as a speaker and thinker and as one thoroughly conversant with this important phase of community life.
