
Dr. C. R. Hallman Leaves for Coast

Dr. C. R. Hallman, who came from North Pacific College of Dentistry to begin practice in his home town in 1929, left for Vancouver Tuesday to open a dentist office. Mrs. Hallman and family left several days ago for their new home.

A member of Chilliwack Board of Trade and an active worker on the Cherry Carnival committee, Dr. Hallman will be missed here. His appointment as district governor, District No. 5, early in the year, was a proud moment for the local Kinsmen's club, of which he is an enthusiastic member and a former president.

Some years ago he sponsored the little theatre movement here.

His parents, Mr. and Mrs. S. E. Hallman, reside in the district.
