

Drama Clan Meeting Called

Chilliwack's proposed Little Theater group, planned since November, will hold its second meeting at Chilliwack Junior-Senior High school January 18.

Organization of the group was postponed because of Christmas holidays but is expected to get into full swing after the January meeting.

Dozen enthusiastic thespians who attended the first meeting were requested to encourage more amateur actors to join the group. H. R. Hurn, department of education official who sponsored the initial meeting, offered the services of his department for guidance and material assistance.

First offerings will probably be one-act playettes involving a minimum of players. School principal G. W. Graham is chairman of an organizational committee preceding election of officers.
