**CHILLIWACK
 FLYING**

TB X-Rays cost nothing to the individual—they are paid for through Christmas seals.

One agency catering to the prairie market claim they received at least 20 enquiries in three days. Included in their batch of corres-

Changed to Dressing Room

“Morgues” Customers To Walk—Both Ways

In future, “customers” will be walking into and out of the morgue at the Chilliwack hospital.

Included in the plans for the expansion of the X-ray department, the morgue is to have a new identity. It will be heated and made a little more comfortable, for it is going to be used as a men’s dressing room.
